

Math 3600:01

Welcome to Euclidean Geometry

All of the official documentation needed for this course will be posted here. Static documents and general discussion can be found using the banner menu above or the buttons below. Daily round-ups of our activities will appear as blog posts.

Blog

Prof. Hitchman's daily log of class activities, with notes on your successes and new questions.

Blog

Tasks

All questions and conjectures, including those set by Prof. Hitchman and those you raise.

Tasks

Journal

Published issues of *Transactions in Euclidean Geometry*, our class journal, with your finished work.

Journal
